Cancellation and refunds

Booking a stay at a campsite is not included in the Danish Consumer Contract Act. Because of this we strongly recommend, that you take out a cancellation insurance.

After the purchase, the booking can't be cancelled or changed by the customer. The customer has the right, upon payment of a fee, to cancel a booking as follows. The insurance premium, however, is never refundable:

- If cancelled more than 30 days before arrival, the full amount paid will be returned, with a deduction of DKK 150,-, however payments under DKK 400,- will not be returned.
- If cancelled less than 30 days before arrival, the full amount paid is lost, unless you have taken out a cancellation insurance.
- If you have taken out a "**cancellation insurance – illness**", the entire amount paid will be returned, with the exception of the insurance premium and any credit card fees, if the conditions stated in "cancellation insurance – illness" are applied to.
- If you have taken out a "**cancellation insurance – no matter what**" the entire amount paid will be returned, with the exception of the insurance premium and any credit card fees, if the conditions stated in "cancellation insurance – no matter what" are applied to.
